

# TERZO LUBRICANTS AND GREASES COMPREHENSIVELY COVERING

- Passenger Car Motor Oils (PCMO)
- Commercial Vehicle Motor Oils (CVMO)
- Automatic Transmission Fluids (ATF/CVT/DCT)
- Gear Oils
- EV Fluids for New Energy Electric Vehicles
- Coolants / Antifreezes
- Motorcycle Oils (MCO)
- Industrial Lubricants
   (Hydraulic/Gear/Compressor/Spindle/ Heat Transfer Oil)

Our Oil Are Suitable For High-Performance Vehicles Daily Commuters, Heavy-Duty Transport Equipment Industrial Manufacturing Machinery And New Energy Drivetrain Systems Worldwide.

## EV ECO-FRIENDLY | TERZO-ECO SERIES

Designed for New Energy Electric.

Eco-friendly and non-toxic base oils and additives

Excellent insulation cooling and thermal degradation

EU REACH and ROHS environmental certifications

## Track Tested Globally Trusted

**TERZO** lubricant widely used and have achieved outstanding performance in real-world tests on supercars and race cars:

AUDI RS3 LMS TCR ——
 Excellent performance in high-rpm, high-temperature stability tests

HURACÁN STO ——
 Liquid t-m film significantlyreduces engine wear

1963 Brand Origin - A Legend is Born

Italian engineer creates **TERZO** lubricant for Lamborghini 350 GT's V12

### 

2000s Product Matrix

Expansion · Application Field Extension

TERZO'S 300+ products, eco-friendly oils, and supercar collaborations

### 

2018 Establishment of ORUN Energy in Hong Kong - Global Operations Hub

ORUN Hong Kong coordinates global operations, integrates R&D, manufacturing, services.

## 1970s-1990s Italian

Craftsmanship · Technological Maturation

TERZO Liquid T-M tech lubricates Italian supercars, earns certifications

#### 

2015 Globalization Strategy Launched

TERZO global launch with new tech-driven logo

### 

2019 China Market Strategic

#### TERZO builds Asia base

Expands network, debuts upgraded T-M OFA tech oil

### 

2022 TERZO-ECO Series

#### Release · Embracing Sustainability

TERZO-ECO launched: green, low-carbon oils meet global eco standards.

#### 

2025 Deepening Social

#### Responsibility · Global Philanthropic Initiatives

TERZO supports global education, child welfare, and long-term social responsibility initiatives.

#### 2021 Outstanding Racing

Performance · Brand Reputation Enhanced

TERZO powers supercars, earns OEM certifications, joins global racing teams.

2023 Accelerated Global

Expansion · Upgraded Localized Services

TERZO expands to 50+ countries, customizes oils, enters industrial sectors globally.

# GLOBALIZATION STRATEGY

Sino-Italian Integration Dual-Core Driven

Asia-Pacific Center China, handling Production, Quality Control and Global Shipping with Strong Manufacturing and Supply Chains

Product Excellence Merges Italian Technology with Chinese Manufacturing for Cost-Effectiveness and Technological Prowess

Global Operations Center Hong Kong, ORUN Energy coordinates Global Trade

Core Vision Italian R&D to Chinese Smart Manufacturing Preserving Authentic Italian Mechanical Culture Delivering Quality and Service Worldwide with Intelligent Production and Strict Standards
